

PRETTY WEDDING AT BLACKSTONE

Miss Marie Plummer Stith Becomes Bride of Mr. Emmett Franklin Magee.

MANY OUT-OF-TOWN GUESTS

Blackstone Was Thronged With Friends of Young People, Who Came to Witness Nuptials.

[Special to The Times-Dispatch.]
BLACKSTONE, VA., July 6.—The marriage of Miss Marie Plummer Stith to Mr. Emmett Franklin Magee was one of the most brilliant events of the season. Long before the hour of the ceremony the sacred edifice of the Methodist Church was crowded to the doors, and it was with difficulty the ushers found seats for the many specially invited guests.

Just before the bride party entered the notes of an inspiring burst, rendered by Mrs. R. B. Jones, prelude to the organ, and soon thereafter the wedding march by Mendelssohn, to which the procession passed to the chancel, being led by the ribbon-bearers, Miss Sallie Branch Donnan and Miss Rebecca McIlwaine, of Petersburg, Va., both of whom were dressed in creations of white mull, with pink ribbons. Then came the ushers, which included Mr. Henry Burwell Epps and Mr. Sam Gray, of Blackstone; Mr. Clifton Taylor, of Richmond; Dr. R. L. Stith, of Lawrenceville, brother of the bride; Mr. William A. Bond, of Petersburg; and Mr. A. P. Magee, of Clarksville, Va., brother of the groom.

Senters Sweet Peas.
In close succession followed the maid of honor, Miss Belle Reid, of Chatham, who will be readily recalled as one of the belles of Southside Virginia. She carried La France roses, and was strikingly beautiful in an embroidered robe, with pink hat, shoes and gloves. Little Miss Lucy McIlwaine, of Petersburg, preceded, scattering sweet peas along the aisle.

The bride entered with her brother, Dr. Wm. Meade Stith, of Petersburg, by whom she was given away. She carried a shower bouquet of orchids and lilies of the valley, and wore a gown of hand-wrought crepe de chine built on chiffon and taffeta, her only ornament being a diamond brooch the gift of the groom. The veil of real lace was gracefully caught with a wreath of orange blossoms and hung in artistic lines of the folds of her wedding train.

The groom entered from the vestry-room with his brother, Mr. Stewart Lee Magee, and met his bride at the altar steps where the ceremony was performed.

Mrs. Magee is richly endowed with the graces of ideal young womanhood. Her many lovely qualities and personal attractions, together with a vivacious charm of manner, endear her to all with whom she is brought in contact.

Mr. Magee is a prominent young tobaccoist, and widely known. He has fine business attainments and possesses all the qualities of heart and mind to add still greater success to his career.

Blackstone has been thronged with guests from a distance, who came not only to congratulate the happy couple, but to attend the reception given on Tuesday evening by Mr. and Mrs. David Meade Stith, parents of the bride. The house was exquisitely decorated for this occasion, the front parlor presenting a scene of surpassing beauty, filled with an immense collection of bridal presents, consisting chiefly of silver, cut-glass and bric-a-brac.

Mr. and Mrs. Magee left for an extended tour North. They will reside at Clarksville.

Richmond Schooner Entered by Thieves; Captain Morgan Considerable Loser.

[Special to The Times-Dispatch.]
NORFOLK, VA., July 6.—The schooner "Anderson," of Richmond, Va., was robbed last night of the vessel lay at the wharf of the Greenleaf-Johnson Lumber Company. Aboard the schooner with Captain Morgan was the captain's family, who came down from Richmond to spend some time and visit the Jamestown Exposition. The master and his wife and three children were sleeping in the cabin of the schooner. During the night—at what hour is not known—some one entered the cabin and took therefrom the master's vest, in the inside pocket of which was a considerable sum of money, and the family's railway tickets. The vest was found this morning, and the railway tickets were with it, but the money and watch were missing.

LECTERN PRESIDENT GIVES TO BRUTON PARISH CHURCH

MR. ROOSEVELT'S HANDSOME GIFT TO BRUTON PARISH CHURCH, WILLIAMSBURG.

The lectern which President Roosevelt will present to old Bruton Parish Church, at Williamsburg, Va., to support the Bible which King Edward will give, has been completed and accepted. It is the work of Mr. J. Stewart Barney, of New York. Rising from a symbolic base is the Angel of Peace, a draped female form, whose upraised hands and folded wings support the desk of the lectern. The figure stands on a globe, with one foot resting on Great Britain and the other on the United States. The globe itself is supported by the British Lion and the American Eagle. Between these figures is the coat of arms of the English-Washington family. Each of the three tablets at the base of the lectern bears an inscription. On that to the front are the words: "To the Glory of God." The tablet to the right bears the legend: "And Commemorative of the Three-

hundredth Anniversary of the Permanent Establishment of English Civilization in America, 1607-1907." On the other tablet are the words: "Presented by Theodore Roosevelt, President of the United States."

Bruton Parish Church is the second oldest church in America, and has been the longest in continuous use. It was begun in 1710 and finished in 1716, and succeeded the old Jamestown office as the "court church" of Virginia. It has been completely restored, great care having been taken to preserve its original form, as well as the historical tablets and other relics of early days. While no program for the consecration of the restored church, which will take place in October, has been announced, it is expected that the President will attend, as well as Ambassador Bryce, and it is also announced that the Bishop of London will be present.

It is stated that S. M. Adst, general freight agent of the Virginia Railway Company; Charles R. Capps, traffic manager of the Seaboard Air Line; and R. E. L. Bunch, traffic manager of the Norfolk and Southern Railway, have agreed to attend the conference. President of the Norfolk and Western Railway Company L. E. Johnson is in record as favoring the movement, and it is anticipated that his road and others here will be represented on Monday.

It is sought also to have State Commissioner of Agriculture G. W. Kolmer, J. H. C. Beverley, chairman of the Virginia State Board of Agriculture and Immigration, present.

YOUNG NEGRO ASSAULTED

White Youths Met Darkey and Gave Him Beating, Says the Negro.

[Special to The Times-Dispatch.]
PETERSBURG, VA., July 6.—The expected endorsement by the Anti-Saloon League of the candidacy of John R. Doyle, of Dinwiddie county, for the State Senate from this district, is now understood to be a mere rumor, because of the fact that the league never formally indorses any candidate.

Walter Gates, a young negro, was badly beaten on Grove Avenue last evening, and in the Mayor's Court this morning identified a young white man named C. Blankenship as one of his assailants. The negro said that he was assaulted by two white men for no reason whatever, while he was walking up the street with a little colored girl. Blankenship was created by Police Officer Clayton. Policeman Cameron heard the row and saw two young white men run away. Blankenship denied the charge against him, and Willie Wilkerson, another suspect, also denied the assertion made by George Connors, a witness, who testified that Wilkerson told him he had knocked a negro in the head. Adolph Lewis, a resident in the neighborhood where the assault occurred, said that he was awakened by the noise and looking out of a window saw two men, neither of whom was Blankenship. He could not identify Wilkerson. The Mayor continued the case until Monday morning, in order to summon several witnesses who are said to have seen the assault.

Mrs. Smith was about sixty-five years old, and is survived by one son, Mr. William Horace Smith, of Prince George county, and by the following brothers and sisters: Mrs. Hobbs, Mrs. McKnight, of Brooklyn; Mr. Shelton Chieves, of this city, and Messrs. J. A. and Langdon Chieves, of New York.
